THE OVERVIEW

Mardi is the name of the ridge on the south westerly slop of Machhapuchhre . Mountain Machhapuchhre also commonly known as Fishtail Mountain because that mirrors the image of a fish tail and is very beautiful and seared mountain of Nepal. The ridge here leads to a high camp located at 3610m where a second consecutive afternoon is spent for Acclimatation with the views of Annapurna south and Machhapuchhre .The trail climbs to a rhododendron forest and passes a sign bidding you farewell to the Mardi Trek. All around you right from Dhaulagiri to the Ganesha Himal stretches a dozen...
